

Dear Donor:

Thank you for choosing to donate your “well loved”, BUT VERY GENTLY USED items to **Hearts of Gold** in support of our mission.

Due to the recent loss of storage space, as well as an increase in donated items that we are not able to sell, effective immediately, **we will be checking all donations at the time the donation is being made and only taking the items that fit the new criteria.**

We thank you for your understanding and for supporting this vital job training program in support of homeless moms!!
